OUTSTANDING -
THANK YOU!

The 2022 Literacy Texas Annual Conference was held in the Hilton College Station and Conference Center. We explored the theme "Literacy for All" with sessions focused on topics such as *Universal Design for Learning*; *Building a Reflective Teaching Practice*; *Why Do We Instantaneously Judge People?*, and *Brain Hacks*, among many others.

Opening speaker **Mahalia Baldini**, Adult Education & Literacy State Director for the **Texas Workforce Commission**, addressed attendees on "The State of the State in Adult Literacy", and keynote **Horacio Sanchez** of **Resiliency, Inc.** spoke on the topic of "The Foundation of Adult Reading."

"This conference opened my eyes to new possibilities and opened doors to many opportunities."
