

Listening Action Plan

Describe three goals you have for continuing the integration of listening instruction beyond this session. Please be as specific as possible.

Goal	Existing Supports	Resources Needed	Timeline
I will integrate 2 listening activities each week that address 2-3 listening strategies I will ask learners about situations where they struggle to understand spoken English and generate a list of situations that can be referenced during lesson plans	Speakers and internet in room, handout of listening strategies Informal conversations during break around challenges and successes	Online listening text repositories, buy-in from learners why listening is as important as reading Help from an interpreter to ask lower-level learners in classroom	In the next month At the beginning of our Feb. unit
Goal one			
Goal two			
Goal three
